

To Whom It May Concern,

I highly recommend Lauren Cleve as a candidate for a teaching position. I had the privilege of working closely with Lauren at Kid Town USA for nearly 5 years. During her time there she was attending school and working towards her teaching degree.

The growth in her education throughout the years showed in her work. She easily adapted to the ever changing needs of the children within the classroom. Lauren demonstrated an extremely professional behavior in her daily encounters with the children, parents, and coworkers.

Along with her qualifications, Lauren displays many characteristics that I feel are necessary in a teacher. She genuinely cares about the education of children and is aware that the needs of children as individuals differ greatly. Lauren often came up with several methods of learning a specific concept to ensure that each child understood it. Her loving and nurturing personality makes it easy for children and parents to feel comfortable and trust her. Lauren has a wonderful approach to people of all ages, especially children. Her ability to connect with her students and her talent at teaching simple concepts, as well as more advanced topics, are both truly superior. She has excellent written and verbal communication skills, is extremely organized, and reliable. Lauren can work independently and is able to follow through to ensure that the job gets done. She accomplishes these tasks with great initiative and with a very positive attitude.

Lauren would be an amazing addition to any school and is sure to touch the lives of the children she has the opportunity to work with. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,

Naielah Ayesh
